

Mr. Joseph Archie Koilor

Liberia Gender Analysis Teacher Training in ICT-Based Mobile Learning: Enhancing ICT Skills
Data Scientist | International Institute of Tropical Agriculture (IITA)

Biography

Mr. Joseph Archie Koilor is a data management and digital systems professional at the International Institute of Tropical Agriculture (IITA), Liberia, specializing in digital census and survey methodology, data governance, statistical data processing, monitoring and evaluation, and ICT systems development. With over 12 years of professional experience working with national statistical institutions, United Nations agencies, research organizations, and international development partners, he has contributed to strengthening data quality, developing reliable information systems, and generating actionable insights for evidence-based decision-making and sustainable development. He currently contributes to the Liberia Land and Soil Resources Knowledge Project (Soils4Liberia), supporting digital soil information systems, field data collection, database management, data quality assurance, reporting, and capacity development. His previous assignments include serving as Director of the Data Processing Department at the Liberia Institute of Statistics and Geo-Information Services (LISGIS), an International Consultant supporting census IT infrastructure and data processing methodology with UNFPA Angola, and a Data Management Specialist supporting surveys and assessments with UNICEF Liberia. His technical expertise encompasses computer-assisted personal interviewing (CAPI), CSPro, ODK, Survey123, statistical analysis, database development, geographic information systems (GIS), business intelligence dashboards, and ICT infrastructure. He is committed to advancing digital transformation, strengthening institutional data governance, promoting knowledge sharing, and building local capacity for data-driven development and evidence-based policymaking in Liberia and across Africa.

Professional Information

Full Name: Mr. Joseph Archie Koilor

Profession: Data Management, ICT systems & Monitoring and Evaluation Specialist

Qualifications: B.A, MPS, CMEP, RMP, PMP, MPAIA Public and International Affairs

Organization: International Institute of Tropical Agriculture (IITA)

Location: Monrovia, Liberia

Research Profile: [IITA](#)

Contact Information

Primary Email: j.koilor@cgiar.org

Alternative Email: archiekoilor@gmail.com

Telephone / WhatsApp: [+231 886 493 825](tel:+231886493825)

Research Profile: [IITA](#)

Research Areas

• Digital Census and Survey Methodology • Data Management, Governance and Quality Assurance • Digital Soil Mapping • Statistical Analysis and Data Science • Geographic Information Systems and Spatial Data Analysis • ICT Systems and Digital Transformation • Monitoring, Evaluation and Learning (MEL)
